Find Me Follow Me with Remote Call Forwarding Instructions

Activating and Deactivating Remotely

To Activate
1. Dial 651-789-0185.
2. Enter the 10-digt telephone number you are forwarding (___ -___ -____) then [#].
3. When prompted, enter your PIN (default PIN is 1234), then [#].
   Please note: Your PIN can only be changed by a POPP representative. Call 763-797-7900 if you want to change your PIN.
4. Dial [＊72].
5. Option 1: To forward calls to your Find Me Follow Me number –
      Wait for a confirmation tone; then dial your Find Me Follow Me number (___ - ___ - ____) then [#].
   Option 2: To forward calls to a single telephone number of your choice –
      Wait for a confirmation tone; then dial the 10-digit telephone number to which you want to forward your calls; then [#].
6. A confirmation tone will sound after you have dialed the number you want your calls forwarded to. After the tone is heard, hang up.

To Deactivate
1. Dial 651-789-0185.
2. Enter the 10-digit telephone number from which forwarding should be removed (___ - ___ - ____) then [#].
3. When prompted, enter your PIN (default PIN is 1234), then [#].
4. Dial [＊73]. Once confirmation tone is heard, forwarding has been disabled.
